## **WIFLE MEMBERS-ONLY SCHOLARSHIP PROGRAM 2010**

### **BACKGROUND**

In 2008, the WIFLE Foundation established a "Members-Only" sponsored scholarship starting in 2009 open to all regular and associate members of Women in Federal Law Enforcement, Inc. This yearly scholarship is in the amount of \$1,500 and the awardee is selected from the total number of member-sponsored applications received each year. This scholarship was created to encourage our members to become mentors and reach out to those women considering a career in law enforcement or those students actually pursuing a degree in a related field. And, members working full-time law enforcement jobs are encouraged to pursue graduate degrees at accredited on-line universities which also incorporate a two-week residency program.

In addition, this scholarship, once awarded to a deserving individual, will automatically renew for one additional year. Thus, the individual receiving the award will receive \$1,500 for two successive years of college or graduate work, for a grand total of \$3,000 to be awarded to that individual.

Each member, current as of February 1, 2010, is eligible to sponsor one full-time student pursuing a law enforcement-related degree for a WIFLE scholarship. This members-only sponsored scholarship is also open to members themselves who meet the criteria. Members may sponsor either themselves or one individual for this scholarship using the "Members-Only Sponsored Scholarship Application."

### **MEMBERS-ONLY SPONSORED SCHOLARSHIP PROGRAM AND APPLICATION PROCESS**

**Purpose:** As a benefit to its members, WIFLE offers one scholarship in the amount of \$1,500 per year to a member or member-sponsored applicant. Once selected for the award, the awardee will receive an additional automatic \$1,500 in the following year, without renewing the application.

**Eligibility:** Only those applicants sponsored by a WIFLE member whose membership is up-to-date and paid in full as of February 1, 2010, are eligible to apply for this scholarship. An applicant must also meet the following eligibility criteria:

- physically attends and is a full-time student at an accredited four-year college or university; or is currently enrolled full time in a fully accredited community college with the intention of transferring to a four-year degree program; if pursuing a graduate degree, applicant must carry at least six (6) semester hours.
- has completed at least one full academic year of college work at an accredited college or university or community college;
- maintains a minimum 3.0 overall grade point average (GPA);
- majors in Criminal Justice or a related discipline such as social sciences, public administration, computer science, finance, linguistic arts, chemistry, physics, etc., leading to a four-year degree. Students in graduate and postgraduate programs are also eligible, as well as students involved in on-line accredited universities with a two-week on-site residency program. Students pursuing Associate degrees are eligible only if they fully articulate in the application their intention to transfer to a four-year program;
- submits a letter demonstrating their financial need and includes a statement of career objectives;

- provides at least one letter of recommendation from a local community member and/or leader or law enforcement professional;
