

USIS is preparing for an upcoming opportunity in support of the US Department of State's Bureau of International Narcotics and Law Enforcement Affairs (INL). Criminal Justice Program Support (CJPS) missions support multi-lateral efforts led by the United Nations (or other sponsoring organization). As a criminal justice expert in your field, you can become an ambassador for the United States by supporting INL in its transformational diplomacy efforts.

Specializing in all-aspect global security services, USIS offers an array of professional services to include mentoring/advising, security operations, training, law enforcement tactics and techniques, counter surveillance, surveillance support services, and staffing solutions. We are currently looking for the best and brightest men and women in law enforcement and criminal justice professionals who would like to be a part of our new team.

For more information and additional opportunities, visit www.usis.com/cjps

Job Title Civilian Police Training Officer (Certified Trainer)

Job Duties

- The international civilian police training officer responsibilities typically involve assessing, advising, training, and mentoring local police forces.
- The incumbent will instruct probationary and experienced local police officers in areas such as police patrol operations, police ethics, investigative methods and techniques, search and seizure requirements, firearms, defensive tactics, law, and community relations.
- May assess training needs and current programs in order to propose new courses, determine the feasibility and effectiveness of proposed courses, and identify instructors and resources in order to implement new courses.
- May develop curriculum and instruct in a classroom or field setting in the knowledge, techniques, and procedures necessary to execute the duties of police officers.
- Two years full-time experience in a police training position
- Certified/licensed police instructor
- Computer literate
- Excellent communication skills

Desired Qualifications and Skills

- U.S. Citizen
- **For Law Enforcement Professionals:** Must have a combined total of eight (8) years work experience with at least five (5) years in a position of sworn civilian law enforcement, in a full-service law enforcement agency. Successfully completed or current assignments to U.S. CIVPOL contingents will be accepted as active service time.
- Ability to communicate in English
- Valid U.S. driver's license
- Ability to operate a standard transmission 4x4 vehicle
- Positions may require a background investigation for federal security clearance
- Excellent health and must be able to pass physical, agility, and psychological testing
- Valid U.S. passport
- Excellent negotiating, interpersonal, and leadership skills
- Knowledge of International Criminal Justice Standards
- Experience in a multicultural environment
- Ability and willingness to train other individuals in their area of expertise
